

PARK PROPOSAL OFFERED—Explorer engineering Post 168 of Douglas County today proposed to the county recreation commission that two parks be developed on Whittell estate property at Zephyr Cove. Richard Whitney, sponsor of the engineering post, said the group has drawn up a general plan

for 85 acres near Zephyr Cove Elementary School and 7.7 acres near Zephyr Cove Lodge, with 800 feet of lake frontage. Shown reviewing plans are, from left, Bill Fulton, Whitney, Pete Gregory and Bill Hancpol.
